

An All-Day Party at Snapper's

"Festival Finale"

Sunday August 8

10AM-4PM

Join us for Sunday Brunch to put the finishing touches on this years festival with a little bit of the bubbly! In addition to the sweet sounds of jazz guitarist Frank Carmelitano and the most popular waterfront brunch in the Keys you can build your own Sunday morning recovery with Premier Beverage. Add peach brandy, pear nectar, cassis, strawberries, orange juice or one of our other compliments to your morning libation. Or create your own Bloody Mary at our weekly "Build Your Own" Bloody Mary Bar. It's a fantastic way to end a great week!
